

Children's book

"Heart felt, Well written from a true grandma. Gave as a gift to friends who have one child and the second one on the way the father had tears in his eyes. A testament to a good story." - Amazon Reviewer

"Shall We Dance" captures the magical bond between a boy and his grandmother that spans a lifetime and beyond. Each time the pair gets together, their unconditional love and joy will bring both laughter and tears to your eyes as they dance, sing, and play.

Follow Grandma Ging Ging while she visits her grandson Rio throughout the years, as he grows from a baby to a young man. Together, they play hide and seek, ride bikes, make pizza, and go for walks. At the end of each visit, Ging Ging asks Rio if he would like to dance. But when Ging Ging gets too old to dance, Rio refuses to accept it.

This moving story, inspired by author Ingrid Deringer's own mother who loved to play, sing, and dance in the kitchen with her children and grandchildren, will be read over and over again for years to come. "Shall We Dance" is a timeless children's book that is perfect for grandparents, parents, and children alike.
